In the evening you will be collected from Victoria Falls Hotel for a sunset cruise on the great Zambezi River. This 2-hour cruise includes complimentary drinks (including local beers and spirits) and snacks and is truly memorable as you watch the African skies light up and then fade as the day ends.

DAY 8: VICTORIA FALLS

Today, choose any TWO of the following included activities:

OPTION 1: *FLIGHT OF ANGELS:* David Livingstone famously wrote on seeing the Victoria Falls for the first time in 1855 that “Scenes so lovely must have been gazed upon by angels in their flight”. Little did he know that 150 years later he could have exactly that opportunity. Indisputably the best way to appreciate the splendour of the Victoria Falls is to view them from the air. Customized helicopters have specially designed ‘bubble shaped’ windows perfect for wonderful views and visibility from all seats... the ultimate photographic opportunity. Flight is approx. 13 mins.
Excludes government fees of US\$12pp

OPTION 2: *ELEPHANT-BACK SAFARI:* Shearwater’s herd of twelve elephants resides on the Stanley and Livingstone Private Game Reserve, a few kilometres outside Victoria Falls. Each mild-mannered giant has formed a close bond with their patient Induna (elephant handler) who has learnt to understand each elephant’s unique character and traits. Enjoy a chance to ride and interact with these magnificent animals in their natural habitat. Learn about their life stories, behaviour patterns and anatomy. After the ride, which lasts about 45 minutes, you can get to know Africa’s most loved mammal through up-close and personal interaction. Total activity time is approx. 3 ½ hrs.

OPTION 3: *WALK WITH LIONS:* “Walking with Lions” offers an up-close and personal experience with the “Kings of the Jungle”. Interact and walk with lions, learn about their habitat and behaviour and the conservation challenges they face in the wild. Total activity time is approx. 3 hours.
Minimum Age: 15 yrs old
Minimum Height: 1,5 m

You will also have a chance to visit the vibrant markets at Victoria Falls, with a selection of crafts and carvings are on offer.

In the evening, optional visit to the Boma Restaurant. Blended into the surrounding gusu forest, the Boma is a unique cultural experience that bombards your senses with the tastes, sights, sounds and smells of Africa. On arrival, guests partake in a hand-washing ceremony before sampling traditional beer and snacks. The four-course meal combines a la carte starters with a barbecue buffet that specializes in a superb selection of Zimbabwean dishes and a variety of game meat. Local delicacies such as mopani worms and vegetarian meals are also available. The evening is accentuated by traditional dancers who captivate guests with their energetic songs and dance. Steeped in mystery, the restaurant’s traditional storyteller explains the country’s folklore, culture and heritage.
